

The Third IEEE International Smart Cities Conference (ISC2 2017)
September 14 - 17, 2017
Jiangnan University

September 13, 2017, Wednesday

13:00-21:00	Registration Changguangxi Hotel (for foreign participations)	Registration Wuxi Scholars Hotel (for demestic participations)
-------------	---	---

14:00-16:00	Tutorial Title: Technology Forecast for Smart Cities Lecturer: Roberto Saracco Chair: Jun Sun 5th Floor, Meeting Room, Library
-------------	---

September 14, 2017, Thursday

9:30-12:00	Registration 1st Floor, Wenhao Science Hall
------------	--

9:30-10:30	Tutorial Title: AI-based Measurement and Analysis of City Performance Speaker: Mark Fox Chair: Chaofeng Li Room 205, Wenhao Science Hall
------------	---

10:30-11:00	Coffee Break 1st Floor, Wenhao Science Hall, Library
-------------	---

11:00-12:00	Tutorial Title: AI-based Measurement and Analysis of City Performance Speaker: Mark Fox Chair: Chaofeng Li Room 205, Wenhao Science Hall
-------------	---

12:00-14:00	Lunch Wuxi Scholars Hotel
-------------	------------------------------

14:00-17:20	Registration 1st Floor, Wenhao Science Hall
-------------	--

14:00-15:30	Tutorial Title: Developing Smart Cities Ecosystems Lecturer: Victor M. Larios Chair: Shen Wang Room 205, Wenhao Science Hall	Tutorial Title: Smart Buildings for Smart Cities: IoT perspectives Lecture: Muhammad Alam Chair: Sue Ellen Haupt Room 107, Wenhao Science Hall
-------------	---	---

15:30-15:50	Coffee Break 1st Floor, Wenhao Science Hall
-------------	--

15:50-17:20	Tutorial Title: Developing Smart Cities Ecosystems Lecturer: Victor M. Larios Chair: Shen Wang Room 205, Wenhao Science Hall	Tutorial Title: Smart Buildings for Smart Cities: IoT perspectives Lecture: Muhammad Alam Chair: Sue Ellen Haupt Room 107, Wenhao Science Hall
-------------	---	---

18:00-20:00	Welcome Reception Taihu Hall, Changguangxi Hotel
-------------	---

The Third IEEE International Smart Cities Conference (ISC2 2017)
September 14 - 17, 2017
Jiangnan University

September 15, 2017, Friday

9:00-12:20	Registration 5th Floor, Library				
9:00-10:00	Opening Ceremony 5th Floor, Meeting Room, Library	Welcome speech by Qin Huang, Executive Vice Mayor of Wuxi			Chair: Wei Chen, Vice President of Jiangnan University
		Welcome speech by Zhimin Liu, Director of National Center for Schooling Development Programme, MOE			
		Welcome speech by Chao Wang, Vice Chair of IEEE China Council			
		Welcome speech by Josef Kittler, Advisory Board Chair of ISC2, University of Surrey, UK			
		Welcome speech by Representative from Kansas City, USA			
		Welcome speech by Tuo Zhu, General Secretary of Jiangnan University			
		Group Photo			
10:00-11:00	<p align="center">Keynote speech Title: Face and Soft Biometrics for Smart Cities Applications Speaker: Josef Kittler, University of Surrey, UK Chair: Bin Luo 5th Floor, Meeting Room, Library</p>				Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
11:00-11:20	Coffee Break 5th Floor, Library				Coffee Break 1st Floor, Wenhao
11:20-12:20	<p align="center">Keynote speech Title: Integrating Weather Information for Connected Vehicles: A Big Data Application Speaker: Sue Ellen Haupt, National Center for Atmospheric Research, USA Chair: Baek-Young Choi</p>				Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
12:20-14:00	Lunch No. 4 Dining Room				
14:00-17:15	Registration 1st Floor, Wenhao Science Hall				
14:00-15:30	Workshop Keynote Cooperative Sensing for Smart Mobility Room 311, Wenhao Science Hall	Technical Session Smart Energy Systems Room 203, Wenhao Science Hall	Technical Session Smart Transportation Room 205, Wenhao Science Hall	Technical session Artificial Intelligence for Smart City Room 107, Wenhao Science Hall	Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
15:30-15:45	Coffee Break 1st Floor, Wenhao Science Hall				
15:45-17:15	Workshop Cooperative Sensing for Smart Mobility Room 311, Wenhao Science Hall	Technical Session Artificial Intelligence for Smart City Room 205, Wenhao Science Hall	Technical Session Smart Environment Room 107, Wenhao Science Hall		Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
18:00-22:00	Banquet and Guided Tour Restaurant: Worldhotel Grand Juna				

The Third IEEE International Smart Cities Conference (ISC2 2017)
September 14 - 17, 2017
Jiangnan University

September 16, 2017, Saturday

8:30-9:30	Registration 5th Floor, Library			
8:30-9:30	Keynote speech Title: AI: Research and Applications Speaker: Stan Z. Li, Institute of Automation Chinese Academy of Sciences, China Chair: Linbo Xie 5th Floor, Meeting Room, Library			Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
9:45-11:15	Technical Session Smart Energy Systems Room 107, Wenhao Science Hall	Technical Session Smart Transportation Room 311, Wenhao Science Hall	Technical Session Pattern Recognition for Smart City Room 203, Wenhao Science Hall	
11:15-11:30	Coffee Break 1st Floor, Wenhao Science Hall			
11:30-12:30	Panel IEEE Smart Cities Experiences Room 311, Wenhao Science Hall	Representative from Guadalajara, Mexico (Victor M. Larios)	Chair: Gilles Betis	Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
		Representative from Trento, Italy (Andrea Molinari)		
		Representative from Wuxi, China		
		Representative from Kansas City, USA (Aaron Deacon)		
		Representative from Natal, Brazil (Nélio Cacho)		
12:30-14:00	Lunch No. 4 Dining Room			
14:00-15:00	Registration 5th Floor, Library			
14:00-15:00	Keynote speech Title: Self-awareness and Self-expression in Computing Speaker: Xin Yao, University of Birmingham, UK & Southern University of Science and Technology Chair: Wei Fang 5th Floor, Meeting Room, Library			Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
15:15-15:30	Coffee Break 1st Floor, Wenhao Science Hall			
15:30-17:00	Technical Session Low-power wireless networks and sensors for smart cities Room 203, Wenhao Science Hall	Technical Session Smart Transportation Room 311, Wenhao Science Hall	Technical Session Pattern Recognition for Smart City Room 107, Wenhao Science Hall	Special Session Chinese Smart Cities Room 313, Wenhao Science Hall
18:00-20:00	Dinner Taihu Hall, Changguangxi Hotel			

The Third IEEE International Smart Cities Conference (ISC2 2017)
September 14 - 17, 2017
Jiangnan University

September 17, 2017, Sunday

8:30-9:30	Registration 5th Floor, Library			
8:30-9:30	Keynote speech Title: Are we Building Smart Cities on Dumb City Information Systems? Speaker: Mark Fox, University of Toronto, Canada Chair: Aaron Deacon 5th Floor, Meeting Room, Library			
9:45-11:15	Technical Session Artificial Intelligence for Smart City Room 107, Wenhao Science Hall	Technical Session Pattern Recognition for Smart City Room 203, Wenhao Science Hall	Technical Session Smart Transportation Room 313, Wenhao Science Hall	Technical Session Standards based Technology for Smart Cities Room 311, Wenhao Science Hall
11:15-11:30	Coffee Break 1st Floor, Wenhao Science Hall			
11:30-13:00	Technical Session Health and Well-being Room 203, Wenhao Science Hall	Technical Session Smart Government Room 313, Wenhao Science Hall	Technical Session Big data and Open Data Room 107, Wenhao Science Hall	Technical Session Standards based Technology for Smart Cities Room 311, Wenhao Science Hall
13:00-14:30	Lunch No. 4 Dining Room			
14:30-16:00	Poster Session		Technical Session Pattern Recognition for SC Room 107, Wenhao Science Hall	Technical Session Standards based Technology for Smart Cities Room 311, Wenhao Science Hall
End of conference
